

Trainee Supervision 2022-2023

Dr. Pedro Rosa-Neto, MD, PhD

Years	Student/Trainee	Description
2022-Present	Nesrine Rahmouni	Supervision of an MSc Student Project: Validation of Screening of Neurobehavioral abnormalities in the aging population (SNAP)
2022-Present	Arthur Macedo	Supervision of an MSc Student Project: Stating of Alzheimer's disease using biomarkers
2022-Present	Tahniah Nazneen	Supervision of an MSc Student Project: Telediagnosis in Alzheimer's disease
2022-Present	Ali Hosseini	Supervision of a PhD student Project: Analysis on radiomic space
2020-Present	Saman Arfaie	Supervision of medical student
2020-Present	Stijn Servaes, PhD.	Supervision of post-doctoral fellow Project: Advancing machine learning technologies in identifying incipient Dementias.
2020-Present	Siavash Kermani Koosheh	Co- Supervision of PhD student
2020-Present	Marie Fitoussi	Supervision of PhD student
2020-Present	Kely Monica Quispialaya, MD	Supervision of a MSc student Project: Agreement between Cerebrospinal fluid biomarkers and FDG-PET biomarkers in assessing AD pathophysiology.
2019- Present	Xinyuan Li	Co-supervision of PhD student Project: Identifying the mediation of functional connectivity alterations in the effects of prenatal maternal stress on autistic-like traits in offspring.
2019- Present	Yi-Ting (Tina) Wang	Supervision of PhD student Project: Investigate the association between genetics and neuroimaging biomarkers across the Alzheimer's disease spectrum
2019-Present	Jaime Fernández Arias	Supervision of PhD student Project: Prevention of Neurological Diseases for Everyone at Risk (P.O.N.D.E.R)
2018- Present	Peter Kunach	Supervision of undergraduate project Supervision of MSc student Project: Multimodal characterization of the TgF344-AD rat animal model of Alzheimer disease and viability of RNA based CSF biomarkers in AD Supervision of PhD student Binding pockets for tau imaging agents

Dr. Paolo Vitali, MD, PhD, FRCPC

Years	Student/Trainee	Description
March 2022 - September 2022	Audrey Marcoux, PhD - Université Laval, Québec	Neuropsychology Internship
April 2022 - October 2022	Zineb Selham, Doctorat - the Université du Québec à Montréal.	Neuropsychology Internship
September 2022 – March 2023	Marina Brillon-Corbeil – Doctorat Université du Québec à Montréal	Neuropsychology Internship
May 2022- April 2023	Sanghamitra Laskar, MD	McGill Cognitive Neurology Fellowship
November 2022	Nasir Alzbeidi, MD	McGill Cognitive Neurology Fellowship

Dr. Maiya Geddes, MD, FRCPC

Year(s)	Student/Trainee	Role	Level	Institution
	Larissa Chiu	Primary Supervisor	M.Sc. IPN	McGill
2021 –Present	Nagashree Thovinakere	Primary Supervisor	M.Sc. IPN	McGill
2021 –Present	Caitlin Walker	Primary Supervisor	M.Sc. IPN	McGill
2021 –Present	Chloë Witherow	Primary Supervisor	Undergraduate Honors Neuroscience Program	McGill
2021 –Present	Alix Noly-Gandon	Co-supervisor	PhD IPN Program	McGill
2021 –Present	Wenshu Zoe Yan	Primary Supervisor	Undergraduate Dept. Psychology	McGill
2021 –Present	Madhura Lotlikar	Primary Supervisor	IPN PhD Rotation Student	McGill
Jan – April 2022	Dan Voicu	Primary Supervisor	Undergraduate Bioengineering	McGill
2021 –Present	Veronica Sotto	Primary Supervisor	Undergraduate Dept. Psychology	McGill
2021 –Present	Jatin Ai	Primary Supervisor	Undergraduate Neuroscience Program	McGill

2021 – Present	Carol-Ann Bédard Plante	Primary Supervisor	Medical Student	McGill
2020 – Present	Amelia Stephenson	Primary Supervisor	Undergraduate Neuroscience Program	McGill
2021 – Present	Zeynep Yalsin	Primary Supervisor	Undergraduate	McGill
2020 – Present	Maggie Nguyen	Primary Supervisor	Undergraduate Dept. Psychology	McGill
2021 – Present	Emmanuel Adams-Gelinas	Primary Supervisor	Medical Student	McGill
2021 – Present	Alissia Di Maria	Primary Supervisor	Cegep student	McGill
2021 – Present	Frank D'Agostino	Primary Supervisor	Undergraduate	Harvard College
2020 – Present	Farah Makram	Primary Supervisor	Undergraduate	Northeastern University
2021 – Present	Ana Escobedo	Primary Supervisor	Undergraduate	Northeastern University
2021	Lauren Voso	Primary Supervisor	Undergraduate Co-op Student	Northeastern University
2021 – Present	Calvin Tobias	Primary Supervisor	Undergraduate Co-op Student	Northeastern University
2021 – Present	Joseph Taylor	Co-supervisor	Early Career Faculty	Harvard Medical School
2021 – Present	Meishan Ai	Co-supervisor	PhD	Northeastern University
2019 – Present	Timothy Morris	Co-supervisor	Postdoctoral	Northeastern University

Practical Workshops

Dr. Paolo Vitali, MD, PhD, FRCPC

Year	Description
December 10, 2022	Grand Rounds: Neurology Grand Rounds at the Montreal Neurological Institute: The Primary Progressive Aphasia Experience at the McGill Research Centre for Studies in Aging
November 9-11, 2022	Member of the organizational committee for the 5 th Congrès québécois sur la maladie d'Alzheimer2022, Quebec City, Canada
February 23, 2022	Dementia McGill Cares Webcastes : Difficultés de langage dans le vieillissement normal et la démence.
June 15, 2022	Language Difficulties in normal aging
